About the session

Cyber awareness is required for everyone in today's complex computerized world. The session was arranged as a social activity under eMAS for the students awareness so that they can become part of this program and can become an integral part in this chain of cyber security program initiated by Nashik Police commissioner 'Mr, Ravindra Singhal'

They learnt about the Police public participation program conducted in Nashik with the help of Nashik Police where students from different colleges can become ambassador and can conduct such sessions in different schools and colleges.
