Details of the Program

The MET ALUMNI committee organized guest lecture on 12th November 2022 on topic “ICH guidelines and its significances in clinical research”. Guest lecture was given by alumni Mr. Sagar Baviskar who is working in project management, risk based monitoring, clinical data management, and quality assurance.

The lecture was started with felicitation by Dr. Sunita Surse (Staff Advisor MET Alumni cell).

Total 72 students from B. Pharm(T.Y & Final year), M.Pharm were present for the lecture.

Students learn many things about ICH guidelines, its importance, how it is implemented in pharmaceutical industries. Also many things about different regulating authorities and its functioning was explained very well by speaker. Student responded spontaneously by asking questions and their doubts.
