**The following faculty members appointed for the training**

- Mr. Mahendra V. Khairnar, Mr. Rakesh U. Shelke, Mr. Rohan S. Ahire, Mr. Abhijit S. Deore

**Highlights of the training:**

MET'S Institute of Pharmacy, Nashik organized two days Industrial training for the faculties at **Core Analyticals Pvt. Ltd.** Industrial training is a part of curriculum at MET'S Institute of Pharmacy. On the first day training commenced with presentation by Mr. Taresh Patil (Operations Head at Core Analyticals Pvt. Ltd.) about company's profile, facilities, growth and status. Faculties were informed about different departments of industry and how these departments work. Faculty came across various instruments like Dissolution Instruments, pH meter, IR Spectroscopy, HPLC, UV Spectroscopy etc. The technical staff from industry explained the function details of various instruments along with this technical staff also discussed about storage condition of various drugs samples and how to validate various drugs.

On the second day of training, faculties were trained on dissolution apparatus (Labline), HPLC (Agilent), IR (Bruker Diamond), Stability Chambers, Particle size analyzer after that faculties were learned the process of validation, method development of certain drugs.

This made our faculties to correlate their theory with practical application in Pharma field. The officials of **Core Analyticals Pvt. Ltd.** appreciated and impressed with curiosity of our faculties to learn the subject. The faculties were very happy and felt enriched after visiting analytical lab.
