

MET's Institute of Pharmacy believes in unity, equality, integrity and hence emphasis is given to maintain an environment that is inclusive for all diverse parts of the society like race, gender, class, generation and geographical parts of the country.

According to the World Summit for Social Development (Copenhagen 1995), an inclusive society is a “society for all in which every individual, each with rights and responsibilities, has an active role to play”.

In order to have Such an inclusive environment in the campus, it is ensured that due respect is given for all human rights and fundamental freedoms, cultural and religious diversity, social justice and the special needs of vulnerable and disadvantaged groups, democratic participation and the rule of law.

MET BKC promotes policies that exercise to reduce inequality and support for the flexible and tolerant societies that embrace all people.

Elements necessary for creating an inclusive environment in the Campus

- Representation of maximum diverse elements of the society
- Gender equity has always been an important value for the institute and the staff
- Women empower initiatives of the institute
- Enrollment of all diverse type of candidates who belong to different race, gender, class, generation and geographical parts of the country by virtue of the statutory and regulatory authorities who control the admission procedure.
