

**Report on**  
**A National Level One Day Webinar on “Introduction to The Current Trends in  
Experimental Pharmacology”**

**Date:** 16/07/2021

**Time:** 9.30 am to 1.30 pm

**Mode of Seminar:** Online (YouTube stream yard)

**You tube link:** [https://youtu.be/2RO\\_8078NTc](https://youtu.be/2RO_8078NTc)

**Number of Registration:** 964

MET's Institute of Pharmacy, Bhujbal Knowledge City organized National Level One Day Webinar on “Introduction to The Current Trends in Experimental Pharmacology” on 16<sup>th</sup> July 2021. This webinar was organised with an objective as learning about updating in experimental pharmacology, toxicology, and related advances. Which is best opportunity to gain updated information about Experimental Pharmacology. Most recent research advances and newest updates in experimental pharmacology are hallmarks of this Webinar.

Prof. N. K. Subhedar, Indian institute of science education and research, Dr. Homi Bhabha road, Pune was present as a chief guest for inaugural function of the seminar and motivated and guided participants with current scenario of pharma industries.

Hon. Dr. Shefali. S. Bhijbal, Chief administrator, METs, Bhujbal Knowledge City, welcomed all the guest, speakers and participants also guided participants about importance of preclinical and clinical studies. Dr. S. J. Kshirsagar, Principal, METs, Bhujbal Knowledge City, Nashik, welcomed all participants and narrated objectives and importance of Seminar.

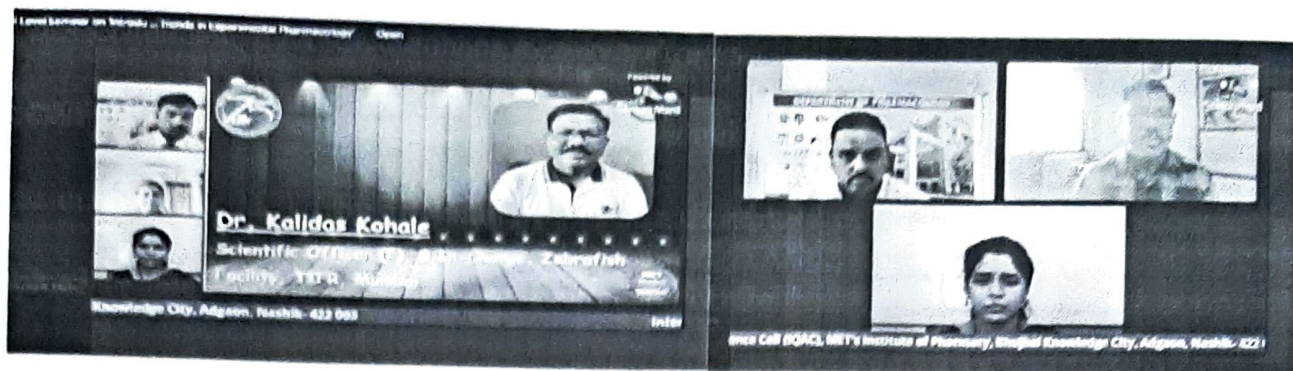

First session was conducted by Dr. Aniket Mali, Research Associate (DA), National centre for cell science (NCCS), Pune, enlightened the participants on Cell cultures in Pharmaceutical Biotechnology: Applications in Drug discovery and experimental pharmacology.

Second session was conducted by Prof. Sadhana Sathaye, Professor, ICT, Mumbai, gave valuable guidance on new trends in experimental pharmacology.

Further, third session was conducted by Dr. Kalidas Kohale, Scientific officer (F), TIFR, Mumbai, enlightened on Research applications of Zebrafish for the pharmacological and toxicological screening. All sessions concluded by question-and-answer session.

964 delegates attended the webinar on national level from different universities. Webinar conducted under the guidance of Dr. Shefali Bhujbal, Chief administrator and Dr. Sanjay Kshirsagar, Principal of MET's Institute of Pharmacy. Dr. P. B. Udavant, Associate and HOD, Pharmacology Department convener of the seminar. The seminar was coordinated by Prof. N. L. Dashputre and Prof. A. B. Tajanpure with the help of all the event coordinators of Institute of Pharmacy.
