- Students participated: B. Pharm and M. Pharm (130)

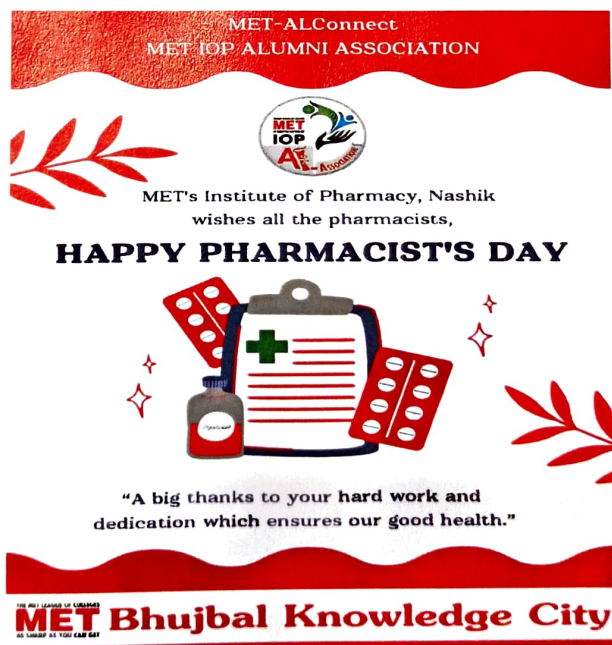

Theme for Pharmacist's Day Celebration 2022:

Pharmacy's positive impact on health around the world and to further strengthen solidarity among the profession was decided by Pharmacy council of India to acknowledge the restless efforts taken by fellow pharmacist's to serve the mankind and benefits them.

Highlights of the activities:

World's Pharmacist day is celebrated at MET's Institute of Pharmacy by acknowledging and appreciating pharmacists working in all sectors of the healthcare pharmacy and engaged in serving human beings. The campaign included felicitations with a greeting cards and flowers to recognize their efforts. This activity emphasizes the unity of the pharma sector for health, regardless of cultural and economic differences.
