**Report on a guest lecture**

**Title: Blood check-up camp**

**Speaker: Prof. Prakash R. Pangham (CEO-PATUT)**

**Venue: HAP Laboratory**

**Date: 22<sup>th</sup>September 2018**

**Objective:**

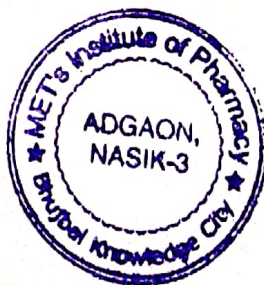

The objective of the camp is to raise health awareness among the students.

**Summary:**

Blood collection camp was conducted in association with Parents Association Thalassemic Unit Trust (PATUT). The programme was conducted in HAP Laboratory where 4 seating arrangement for blood collection was done. Prof Pangham along with his 3 co-coordinator collected the blood. About 87 students participated in the camp.

The camp report revealed that about 50% students were anaemic, accordingly the students were suggested the proper diet and medicine to improve the anaemic condition. This camp was organised under the guidance of Resp.Dr. Sanjay Kshirsagar, principal IOP MET Bhujbal Knowledge city.
