## ABOUT US:

Mumbai Educational Trust(MET) is a public charitable trust established in 1989 under the chairmanship of honorable Mr. Chagan Bhujbal with a mission to radically redefine education system in India. MET league of colleges is having campuses in Mumbai as well as in Nashik. MET's Nashik campus is situated at state-of-art Bhujbal Knowledge City, Adgaon. The infrastructure adheres to and exceed international standards with faculty housing, Hostel facilities, amphitheater, cafeteria, gymnasium, world of music, air conditioned library and seminar hall, ultra modern furniture and much more.

MET's Institute of Pharmacy conducts B.Pharm course since 2006 and M.Pharm Courses Since 2010 which are approved by AICTE, New Delhi; PCI; New Delhi, DTE, Mumbai and affiliated to University of Pune. We believe that excellence is not a destination but a relentless pursuit. Our focus is on dynamic learning systems and the expectation of the pharmaceutical Industries from Pharmacy graduates.

MET RxPLORE is intended to be an annual technical event conducted over 3-6 days in the period of November to February each year.

This event will offer bouquet of technical events like poster presentation, debates , pharma quiz, seminars, workshops, group discussions, technical problem solving competitions, and oral presentations to name a few . The aim of MET RxPLORE is to provide a platform to the participating students, faculties and personnel from pharma industry to interact and share their technical views with each other as well as the guidance from the experts from industrial and regulatory sectors.

This year MET RxPLORE is an one day seminar on 'Advances in Drug Development and Regulatory Affairs' at Bhujbal Knowledge City on Sat. 28<sup>th</sup> February, 2015.

We cordially invite maximum participation from your organisation for this event.

## 'ADVANCES IN DRUG DEVELOPMENT AND REGULATORY AFFAIRS'

28<sup>th</sup> February 2015

The global scenario of pharmaceutical industries demand extensive interaction between educational institutions and researchers to fulfil the ever increasing need of the healthcare system. Academic institutions are the best platform for budding researchers to explore themselves. This seminar help them to interact with industrial experts and eminent faculties from academia to nurture their research talent. MET's Institute of Pharmacy has a trend to facilitate such interactions to have a more fruitful pharma research that can be incorporated by the industries globally. The organization of 'ADVANCES IN DRUG DEVELOPMENT AND REGULATORY AFFAIRS' is a determined effort to continue with the trend.
