

National Voters Day - Report

MET'S Institute of D. Pharmacy organized National Voters Day 2024 . First of all, Prof. Shubham Pachorkar delivered speech on the importance of voting. Few students shared some information about purpose of National Voters Day and took pledge. All teaching and non-teaching staff was present for the national voters day celebration.

Response of students :

All the students actively participated . Few students shared their experience.

Overall response of students was nice.
