Details of the Program: Report on T&P Faculty Visit to Precise Chemipharma Pvt. Ltd, **Dindori** and MoU Signing. The Training & Placement (T&P) Department of MET's Institute of Pharmacy, Nashik organized a visit of the faculty team to Precise Chemipharma Pvt. Ltd, Dindori on 12th September 2025. The objective of the visit was to explore avenues of collaboration in the field of nutraceuticals and pharmaceutical sciences, with a focus on providing enhanced career and training opportunities for students. During the visit, the T&P faculty interacted with the senior management and technical experts of Precise Chemipharma.. Detailed discussions were held on: Campus recruitment opportunities for pharmacy graduates. Internship and industrial training programs for pre-final year students. Skill Development workshops to align students with industry standards. Prospects of joint academic-industry initiatives to enrich student exposure. A significant highlight of the visit was the signing of a Memorandum of Understanding (MoU) between MET's Institute of Pharmacy and Precise Chemipharma Pvt. Ltd, Dindori This MoU aims to formalize collaborative efforts in the areas of industrial training, student projects, internships, and placement support. The faculty team also toured the company's facilities to gain insights into its cutting-edge nutraceutical and food fortification technologies. This valuable interaction reinforced the need to bridge the gap between industry and academia. The visit and MoU signing concluded on a positive note, strengthening the institute's commitment to creating meaningful industry linkages that will benefit students in terms of knowledge, skills, and employment opportunities

Program Objective Achievement

1.	Industrial Interaction
2.	Signed MOU between Institute and Company
3.	Discussion about Campus Engagement Activities I Future
4.	Gained Knowledge about Recent trends and technology in Pharma Industry

Objective of the Activity	To help students explore various job opportunities according to their skills and qualification
