Details of the Program

An Industrial Visit to Vadivarhe Speciality Chemicals Ltd., Vadivarhe, Nashik, was organized under the aegis of IQAC on Tuesday, 14 July 2026, for the M. Pharm (Pharmaceutical Chemistry) students. The visit provided valuable exposure to pharmaceutical chemical manufacturing processes, quality control practices, safety measures, and industrial operations. Students interacted with industry professionals and gained practical knowledge about production techniques, regulatory compliance, and Good Manufacturing Practices (GMP), thereby bridging the gap between classroom learning and industrial applications.
