

ACTIVITY REPORT

Name of Activity- Industrial Visit at Regional Forensic Science Laboratory

Day and Date- Tuesday, 05/05/2026

Courtesy- Forensic Science Laboratory, Nashik

Participants	Staff & Student	Class and Course
	3 + 44	Second year& Fifth year Pharm D

Details of the Program

An educational visit to the Forensic Science Laboratory (FSL), Nashik, was conducted for **Second Year and Fifth Year Pharm.D** students. The visit provided practical exposure to various branches of forensic science, including forensic toxicology, forensic chemistry, biology, DNA analysis, and narcotics examination. Students gained valuable insights into the role of forensic laboratories in criminal investigations, medico-legal case analysis, evidence handling, analytical techniques, and the application of pharmaceutical knowledge in forensic science.

Program Objective Achievement
